

Please help us assemble Health Kits for Lutheran World Relief

People who must flee their homes quickly often do not have time to pack essential items. Health kits can help refugees maintain personal hygiene while living in exile. Items may also contribute to a new start for those who can return home.

Please bring any of the items below to Vacation Bible Camp being held at En Gedi Campground River Resort on July 12 -14. The children will assemble the kits as a mission project.

Lutheran World Relief will distribute them where they are needed most like to Haiti after the earthquake.
